

Joint Funding Partnerships (2009/10)

FUNDING GUIDELINES AND CRITERIA

<p>1. FUNDING APPROACH</p>	<p>First 5 Merced County partners with local organizations with the aim of: 1) Leveraging additional (non-First 5) funds and services in Merced County to maximize the benefit for children 0-5 years and their families; and, 2) increasing the degree of coordination of funding and services that are supported across different funding streams.</p>
<p>2. COMPONENTS, INTENT, AND SCOPE</p>	<p>Focus for the 2009/10 program will include three primary modes of joint funding partnerships:</p> <p>1. Joint Grantmaking</p> <p>First 5 partners with local philanthropic and/or other grant-making entities that provide funds to local organizations to provide services that benefit children 0-5 years and their families (consistent with the First 5 vision and mission).</p> <p>For grant applications selected by a funding partner for an award-- which propose services that align with the mission and vision of First 5 Merced County--First 5 will offer funds to supplement (not supplant) the funding partner's funds, in order to expand the total amount of funds available.</p> <p>The amount of First 5 funds will be based on a matching ratio to be determined on a case-by-case basis (e.g., \$1 First 5 dollar for each \$2 from a funding partner).</p> <p>2. Local Cash Match Commitments</p> <p>First 5 partners with local organizations and agencies that are applying for (non-First 5) funding for services that will benefit children 0-5 years and their families and align with the First 5 vision and mission.</p> <p>In instances in which a funder requires a local cash match by an applicant in order to be eligible for funding consideration, First 5 will offer funds to assist in meeting the cash match requirement. If an application is subsequently selected for funding, First 5 funds will be provided to supplement the awarded funds, not supplant them. The amount of First 5's cash match would be determined on a case-by-case basis.</p> <p>3. First 5 Augmentation Funding</p> <p>First 5 partners with organizations and funders to augment or expand (non-First 5) funded efforts so they provide benefit, or added benefit to,</p>

	<p>children 0-5 years and their families and are in alignment with the First 5 vision and mission.</p> <p>First 5 funds would be provided, for example, in instances in which significant funding has been secured and work efforts are underway or being planned, when doing so would enable the effort to bring benefit to children 0-5 years and their families that would otherwise be lost.</p> <p>First 5 would capitalize on the momentum and external funding available, and with augmentation funds, assure inclusion of benefit to children in ways consistent with the mission and vision of First 5.</p>

6. PROGRAM IMPLEMENTATION	<p>Joint Grantmaking: Funding amounts will be determined on a matching ratio in which a First 5 dollar will be required to be matched by some amount of the partner's funds (e.g., 1:1, 1:2, 1:3). The ratio will depend on factors such as: the total amount of grant funds to be awarded, estimated number of awards aligned with First 5's vision and mission, and maximum amount of each grantee award.</p> <p>The Commission will approve the ratio, the maximum funding available, and related terms of the partnership; First 5 staff reviews funding applications received by partner to identify proposals eligible for matching funds. The actual amount of First 5 funds expended is dependent on the final funding decisions of the funding partner. Upon notification of final funding decisions by the funding partner, First 5 funds may be paid out in full.</p> <p>Local Cash Match Commitments: Funding amounts will be determined on a case-by-case basis depending on factors such as the amount of the match requirement, the total request amount of the grant application, the degree of need for the proposed services, and alignment of the proposed services with First 5's mission and vision.</p> <p>The Commission will take action on proposed partnerships and at its discretion approve amounts of match commitments; however, payment of First 5 funds will only be authorized if the funding partner is successful in receiving the grant award applied for. Upon successful notification, First 5 funds may be paid out in full.</p> <p>First 5 Augmentation Funding: Funding amounts will be determined on a case-by-case basis depending on factors such as the amount of the non-First 5 funding commitment, the degree of need for the proposed services, the degree of potential benefit for children 0-5 and their families to be gained, and the alignment of the proposed services with First 5's mission and vision. Upon approval of First 5 Augmentation Funding by the Commission, First 5 funds may be paid out in full.</p>
7. EVALUATION	Evaluation requirements for Joint Funding Partnerships will be determined on a case-by-case basis due to the unique nature of potential partnerships to be supported.
